

# John of God in NZ - Newsletter March 2007

## HI FOLKS

...and greetings to you all with this the windup newsletter of the 2007 John of God event. I have just returned from depositing Medium Joao and entourage back at the Casa in Brazil, along with all the photos, the dust from the venue, my clothing worn at the event, and hopefully all the discharged energy. These will all continue to be worked on for the next 12 months.

It was another amazing event and, barring the odd glitches, all went extremely well. Medium Joao is extremely enthusiastic about coming out again. No dates were set but I imagine it won't be in the next 2 years. We can just let things settle and it will become clear.

All the helpers did amazing jobs. Thanks. I hope you got as much out of it as at the previous event. Without the helpers this event just couldn't happen.

We value your feedback, so if you have stories and/or photos to share – please email them to: [feedback@johnofgodnz.com](mailto:feedback@johnofgodnz.com). Let us know if you are happy to have your feedback posted on the website.

## AFTER-EFFECTS OF THE EVENT

As after the last event, I stress that the impact of what you have all been through does not finish here. It will continue for at least some months to come. For some of you, you will be feeling great. For others, incipient material will have been brought to the surface for resolution and you might be feeling quite seedy, fragile or vulnerable. This is very much part of the ongoing process. Stay connected with the energy by continuing to take the blessed water, and having crystal beds regularly where possible. It is also great to play the music from the event as a method of tapping in and keeping the crystals in close proximity to you. Read background material to deepen your understanding of the phenomenon. Don't underestimate the power of what you have just been through.

## CRYSTAL BEDS

Continue to have as regularly as possible as part of your ongoing treatment. We are hoping to publish a comprehensive list of crystal beds available for use throughout NZ and Australia. Currently there is: - Wellington 043854342 Natural Health Centre  
- Auckland 09 5203107 Donna Hall  
Check the Friends of the Casa website ([www.friendsofthecasa.org](http://www.friendsofthecasa.org)) for others.

## STORAGE

We are looking for some dry, secure, easily accessible storage for accumulated event materials that we are keeping for the next event. It needs to be in the Wellington area, about 4 -5 sq metres. If you can help please contact [p.waugh@xtra.co.nz](mailto:p.waugh@xtra.co.nz).

## WATER

We have had lots of inquiries subsequent to the event for blessed water. The good news is that this time we have kept a limited supply of blessed water as per the Entity's instruction. It is all 750ml bottles available singly for \$4 or in cases of 12 for \$35 + freight. For our sanity and mere logistics we would far prefer you to buy by the case unless collecting yourself from Natural Health Centre in Wellington. Contact [info@johnofgod.co.nz](mailto:info@johnofgod.co.nz) or leave a message on 04 3856453. It is also a great gift for those who couldn't attend.

It is a really good idea for all attendees to continue taking it for as long as possible as it maintains the connection and substitutes for the herbs dispensed at the Casa in Brazil. For those who would like herbs see Photos to Brazil below.

## **BOOKS and CDs**

We are offering some of the books and CDs left over at a discount until April 24 or while stocks last.

Spiritual Alliances by Emma Bragdon \$40 +(p+p) - down from \$60

Book of Miracles by Josie Ravenwing \$40 +(p+p) - down from \$60

ALSO The beautiful CD PAI NOSSO that was played in the Current Rooms now \$15 (p+p)

We also give you one of the blue event bags while stocks last. Contact [info@johnofgod.co.nz](mailto:info@johnofgod.co.nz) or leave a message on 04 3856453.

## **BLESSED CRYSTALS**

We still have a supply of these. They are wonderful and very powerful gifts as many of you already know. It is still important to try to get these distributed throughout as many locations in NZ and Australia as possible. Contact [info@johnofgod.co.nz](mailto:info@johnofgod.co.nz) or leave a message on 04 3856453.

## **LOST PROPERTY**

The following items were left behind at the event:

- Tapestry cushion
- Paper bag with cleanse instructions, card, coloured crystal pendant, pamphlet
- Child's sunglasses
- Mercedes car keys
- 3 pairs of glasses

Contact [info@johnofgod.co.nz](mailto:info@johnofgod.co.nz) or leave a message on 04 3856453.

## **THE CASA DE JOSE MOTHERSTONE**

Things are moving on this front. I am not sure whether they are moving quickly or slowly. There is still preparation underway and some more specific work that the Entities have told me I need to do in Brazil. It was established here by the Entity that it is the Casa of Jose Valdivino who is one of Entities that was here and who has a great love for NZ.

One of the things I was offered by Medium Joao in Brazil was the Motherstone for the Casa De Jose. It is a magnificent 440kg rose quartz. See photo attached. We will need to buy it and, as the proceeds from the event didn't cover the costs, any suggestions on funds raising for that would be appreciated. The sheer logistics of getting it back to NZ, and what we do with it when we do get it back, still have to be resolved. I know it will all happen. I just don't know how or when at this stage, but I will keep you posted.

We were going to establish a Charitable Trust to administer the Casa de Jose but the timing last year wasn't right and so it didn't happen. Maybe it is time to try again. Do any of you have the necessary legal skills to do this? If so, please contact me: [p.waugh@xtra.co.nz](mailto:p.waugh@xtra.co.nz).
