

John of God in NZ - Newsletter May 2007

GREETINGS ALL

Another successful trip to the Casa de Dom Inacio in Brazil has been completed.

THE NEXT EVENT IN NZ

The Entity's first question to me when I saw him was when might they come back to NZ. It seems they have a very strong connection and are very keen to return. I told them it could not be before 2009 as the Australians hope to organize something next year.

We are already getting inquiries from people who want to help. If you want to go on the data base in that respect, please email debra@johnofgod.co.nz, outlining your skill base and whether you wish to be involved in the present organization and/or the event itself. If we have that information all in one place, it makes it easier nearer the time.

THE MARCH 2007 EVENT

COMPLIMENTARY PASSES

We had some comments from volunteers about some people getting free passes to the event. These people came into two categories:

- Those that couldn't afford tickets. It was stated in our literature that in cases of genuine hardship, people could apply so that no one missed out because of lack of resources.
- Those with whom we had a contra deal arranged where they got comps. in exchange for goods or services rendered.

The rest of us, including me, bought tickets to help cover the cost of the event as our labours were provided as a service to the greater cause of the health and wellbeing of the people and lands of the South Pacific.

FEEDBACK & KAHUNA PRAYER

The feedback received so far and the Kahuna prayer have now been posted on the event website as promised (www.johnofgodnz.com). If anyone has any further feedback they would like to add, please email it to feedback@johnofgodnz.com.

THE CASA DE JOSE

THE MOTHER STONE

The next big step in relation to the Casa de Jose is the procurement of the mother stone. The Entities are keen for us to get the foundation stone back to NZ as soon as possible. That is the 400kg rose quartz currently sitting at the Casa in Brazil and featured in our last newsletter. They wanted me to bring it back to NZ immediately. However I do not wish to remove it from the Casa de Dom Inacio until it is totally paid for and therefore unencumbered. I have part paid for it and said I will make another payment next trip. The total cost is \$US40,000 + NZ GST + freight which we have been quoted as \$US6-8000. If anyone has contacts in the freight industry or suggestions on how we might get it back here more cheaply, or who might want to contribute to the transport or other costs, please let me know.

LEGAL STRUCTURE

We still do not have a legal structure for the Casa de Jose. The obvious one is a charitable trust. However something is still holding this back. I suspect that something is the arrival of the stone. Anyone with the skills who could volunteer to put this together would be greatly appreciated.

LOCATION

This still remains a mystery. The Entity has told me I must live near it which means either it is here in the Wellington area or I am moving house. As the aspiration is to make the

services of the Casa de Jose free to all comers, we will need to start very modestly unless some huge resource manifests for us, which is always a possibility.

ITS FORM

This remains unclear although we do know it will involve the use of the energies of light, sound, and crystal. It could follow the same form as the Brazilian Casa or it could be different. Time will tell. One of the interesting things I note, however, is the preparation/calibration of certain people to work with the Casa, and their movement toward the Wellington area if not already here.

BLESSED CRYSTALS/BLESSED WATER/BOOKS/CDS

We still have these available. Contact Jill at jilly@johnofgod.co.nz.

CRYSTALS

It is very important that we get as many of the crystals distributed throughout NZ and Australia as possible. If you can help with this by way of either buying them as gifts, particularly for unwell people, or just depositing them in out of the way places, that would be great. We want as much land area covered as is possible.

BOOKS

Heather Cumming's new book, "JOHN OF GOD" was released at the start of May. IT'S GREAT! While we do not have copies in NZ, it can be purchased through www.amazon.com.

If you haven't already read them, and particularly if you are planning to go to Brazil, I can also recommend Emma Bragdon's "Spiritual Alliances" and Josie Ravenwing's "The Book of Miracles", both of which we have available.

CDS

I have also brought back copies of the CDs that had run out with the exception of Sao Francisco d'Assis, which won't be available until after I return from my next trip in mid July.

The following prices apply until June 30:

Spiritual Alliances by Emma Bragdon \$40 +(p+p) - down from \$60

AMENDED TOUR SCHEDULE

TOUR DATES:

June 23 –July 9 or17 (2 or 3 weeks at the Casa)

Sept 8 - 24 or Oct 1 (2 or 3 weeks at the Casa)

Nov 17 –Dec 4 (2 weeks at the Casa)

NB. The 4 week option in September no longer exists because the Entities are traveling elsewhere.

For further details please contact Jaqueline at st.ignacio.tours@xtra.co.nz or Peter at p.waugh@xtra.co.nz.

Please check the website (www.johnofgod.co.nz) for more details on what to expect when travelling to Brazil.

PHOTOS TO BRAZIL

The deadline for sending photos to me for the next trip is June 10. Please don't be late with these as I need to do some more processing with them before leaving. Please note that if you want the photos to be presented to the Entity for herbs, you need to pay \$90 per set. Otherwise the photos are put into the triangle for Blessing. They all get kept and worked upon for 12 months. Anyone who has had an "X" on their photo and cannot get to Brazil at this time should continue sending photos and taking herbs. See the attached document for instructions on sending photographs.

CRYSTAL BEDS AND BLESSED WATER

We encourage everyone, particularly those who were told at the event to come to Brazil, or who have received an "x" on photos sent to Brazil, to continue to have regular crystal beds if they live in a location where that is possible.

..... and to continue to drink plenty of blessed water.

Both of these activities will enhance the "contact" with the energy of the Entities.

Additional supplies of water are available through jilly@johnofgod.co.nz.

NEW CRYSTAL BED IN SOUTH EAST QUEENSLAND

There is a new crystal bed operating in Brisbane. Please contact Lynne Paterson at lynnepaterson@bigpond.com for further details.
